

# Mount Auburn Street

## A Complete Streets Project

### Join Us at an Open House on the Mount Auburn Street Final Design

**Tuesday, June 20, 2023**

**4:00 PM to 7:00 PM**

**Perkins School for the Blind  
Grousbeck Center**

**55 Beechwood Avenue, Watertown, MA**

*Parking available in lot off Beechwood Ave; follow signs for event parking*

Watertown Department of Public Works invites you to attend an interactive Open House on the final design for Mount Auburn Street. Stop by any time between 4:00 PM and 7:00 PM to review the final roadway design plans for the corridor and discuss your questions with members of the team and City staff. You can also share your input on the landscaping and streetscape concepts for the placemaking areas throughout the corridor. The project team will share examples of proposed site amenities, such as benches and bicycle parking, as well as plantings to be installed.

Recorded presentations outlining the final roadway design and the landscaping concepts, as well as updated plans, will be posted on the project website in advance of the Open House at:

[www.MountAuburnStreet.com](http://www.MountAuburnStreet.com).

*The City of Watertown is redesigning Mount Auburn Street to improve safety and better accommodate vehicles, transit, bicycles, and pedestrians. With a "Complete Streets" approach, the project will create more space for all users.*

**Please visit [www.MountAuburnStreet.com](http://www.MountAuburnStreet.com) to learn more about the project, download documents, and sign up for project emails.**

**You can also send us a note at [Team@MountAuburnStreet.com](mailto:Team@MountAuburnStreet.com).**

This meeting is accessible to people with disabilities. To request reasonable accommodations and/or language assistance, please contact us at [Team@MountAuburnStreet.com](mailto:Team@MountAuburnStreet.com).
